

Code: HBT / HCL

Materials: Bent and welded steel plate structure with anti-rust protection and powder paint finish. Seat and back made of European or tropical FSC®-certified wooden slats, protected with one-coat oil with a section of 90x20 mm. Fastening screws made of stainless steel.

Slats:

Tropical wood (FSC®). One-coat oil finish

European Robinia (FSC®). Finger jointed according to EN 408. One-coat oil finish

Structure: Steel

Painted RAL 9007

Painted RAL 7024

(Other colours available to order)

Weight (European Robinia wood / tropical wood):

Longue Chair: 32 kg / 35 kg

Chaise Longue: 41.5 kg / 46 kg

Installation: The bench is delivered dismantled. It is attached to the ground by two anti-rust treated screws and expansion anchors per leg.

Includes assembly instructions.

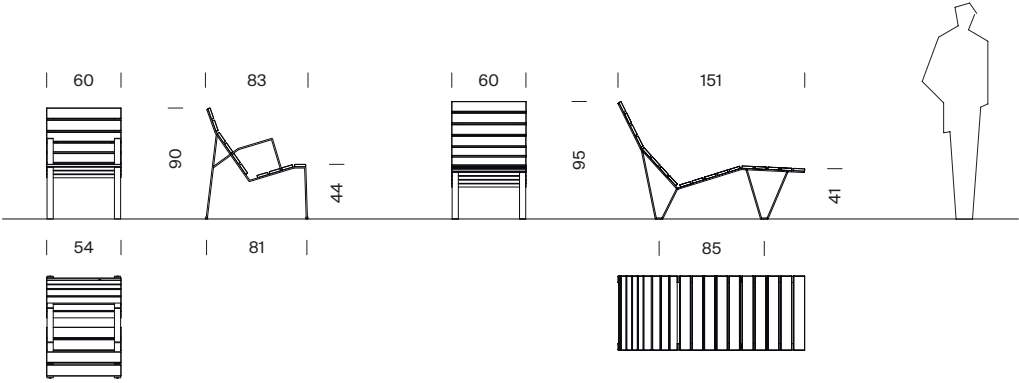

Self-tapping inserts into the wooden slats make them easy to assemble.

Maintenance: No functional maintenance is required, except to preserve the original colour of the wood.
