

Harpo

Gonzalo Milá, Miguel Milá
2015

The table from the Harpo family of benches, chairs and banquettes, dressed in FSC®-certified wooden slats in two sizes and is designed for outdoor spaces where furniture is required for leisure.

Une table faisant partie de la famille des sièges, bancs et banquettes Harpo.

Elle se présente en deux formats de plateaux à lattes de bois, elle a été conçue pour les espaces extérieurs requérant un mobilier dédié à la détente.

Materials and finishes

The table structure is made of rectangular steel plate finished with anti-rust protection and powder painted.

The 8 slats measure 90 x 30 mm and come in two lengths: 1.75 and 3.00 m. They can be made of:

- Solid tropical FSC®-certified wood protected with one-coat oil.

- FSC® certified Robinia wood protected with one-coat oil.

- Extruded recycled and recyclable aluminium, anodised finish.

Installation

The table is attached to the ground by anti-rust treated steel bolts on every leg which are placed in holes drilled into the road surface and filled with epoxy resin, quick-setting cement or similar. The table is delivered in two parts: the leg structure with two brackets and two crossbeams, and the top. Anchor bolts, screws and assembly instructions included.

Maintenance

No functional maintenance is required, except to preserve original wood colour.

Weight

Tropical wood 1.75 m: 82 kg.

Tropical wood 3.00 m: 120 kg.

Robinia wood 1,75 m: 78 kg

Robinia wood 3,00 m: 110 kg

Aluminium 1.75 m: 76 kg.

Aluminium 3.00 m: 106 kg.

Matériaux et finitions

Structure en fonte d'aluminium AG3 finition sablée et anodisée.

Les 8 lattes du plateau font 90x30 mm de section en deux longueurs; 1,75 et 3,00 mètres et dans les finitions suivantes:

- Bois tropical massif certifié FSC® protégé avec huile mono-couche.

- Bois de Robinier certifié FSC® et protégé avec une huile mono-couche.

- Extrusion d'aluminium recyclé et recyclable finition anodisé.
